

Helping patients transition from hospital to home

No-one really wants to stay in hospital, but sometimes there are things preventing patients from returning home.

Our mobile team are here to help to resolve these problems and support patients with continuing their recovery at home once they're ready to be discharged.

Talk to us
Mon - Fri
8am - 4pm

We can help with:

- Unsafe home environments
- Decluttering
- Repairs + minor adaptations
- Debt and tenancy issues
- Homelessness
- Support to live at home

Get in touch with us to find out how we can help a patient with problems returning home.
